

# Encontro Regional Américas da Rede Internacional do Instituto Pasteur

## Réunion Régionale Amériques du Réseau International de l'Institut Pasteur

8h30 - 9h00 ● **Opening Session:**  
 Paola Minoprio, Institut Pasteur Brazilian Office, Sylvio Canuto (Scientific Provost, Universidade de Sao Paulo, USP); Raul Machado (USP International Cooperation Office, AUCANI); Jennifer Heurley (International Affairs Department, Policy and Diplomacy RIIP, IP, Paris), Kathleen Victoir (Pasteur International Network Association), Mirdad Kazanji (Director of Institut Pasteur French Guiana, IPG, Regional Director of the American Region -RIIP).

**Chairmen session 1 : Mirdad Kazanji (IPG) & Eduardo Massad (SPPU)**

9h00 - 9h30 ● Paolo Zanotto (SPPU): "New Challenges of Emerging Diseases in the Americas"

9h30 - 10h00 ● Anubis Vega Rua (IPG): "Current gaps and challenges regarding Vector Control in the Americas"

10h00 - 10h15 ● Sinval P. Brandão Filho/Celina Turchi (Fiocruz, MERG, Recife), "Multidisciplinary approaches applied to cope with Zika epidemics"

10h15 - 10h30 ● Jaime Castellanos (University of Bogota, Colombia): "Long term sequelae of Colombian ZIKV epidemic, challenges in diagnostic and control"

10h30 - 10h45 ● Claude Flamand (IPG): "Assessing the burden of arboviral diseases using a multiplexed serological survey in French Guiana"

10h45 - 11h00 ● Marcelo López-Lastra (Pontificia Universidad Católica de Chile ): " PTB isoforms differentially impact on Dengue virus mRNA translation"

11h00 - 11h15 ● **Questions**

11h15 - 11h30 ● **Coffee Break**

**Chairmen session 2 : Carlos Batthyány (IPMon) & Antoine Talarmin (IP Guadeloupe)**

11h30- 11h45 ● Carlos Robello (IP Montevideo): "Biology of the Trypanosoma cruzi genome"

11h45 - 12h00 ● Jean-Bernard Duchemin (IP Guadeloupe): "Future in vector control: what's beyond insecticides?"

12h00 - 12h15 ● Josiann Normandeau-Guimond (Institut Armand Frappier, IP Canada): "Effects of insecticide resistance on Aedes aegypti microbiota in French Guiana"

12h15 - 12h30 ● Milton Ozório Moraes (Fiocruz – RJ): "Antimicrobial resistance: where to go?"

12h30 - 12h45 ● Marta Mollerach (Universidad de Buenos Aires, Argentina): "Current trends in Community acquired- Methicillin Resistant Staphylococcus aureus (CA-MRSA) in Argentina"

12h45 - 13h00 ● Esteban Chaves Olarte (Universidad Costa Rica): "Center for Research in Tropical Diseases (CIET): a regional hub for collaboration between Central America and the Institut Pasteur International Network"

13h00 - 13h15 ● **Questions**

13h15 - 14h30 ● **Lunch break (on the spot)**

**14h30 - 15h10 ● Round Table 1: The priorities, questions and proposals of/for the region**

Chairmen: Pedro FC Vasconcelos (Instituto Evandro Chagas, Belém) & Vincent Richard (Pasteur International Network Association)

(10 min max each speaker) Mirdad Kazanji (Institut Pasteur de la Guyane), Antoine Talarmin (Institut Pasteur de la Guadeloupe), Carlos Batthyány (Institut Pasteur de Montevideo), Luis Carlos S. Ferreira/ Paola Minoprio (Plateforme Scientifique Pasteur - USP), Wilson Savino (FIOCRUZ)

15h10 - 15h30 ● **Conclusions and proposals for Speed datings on Friday 5th**

## July 03 Symposium Challenges of Emerging Disease and Emergence of resistance

"Conselho Universitário" room - Rectory

15h30 - 16h ● **Coffe Break**

16h - 18h ● **Round Table 2: Common regional actions (collaborations) and innovation**

16h - 16h20 ● Chairpersons : Luis Carlos S. Ferreira (Executive Coordinator SPPU) & Paola Minoprio (Executive Coordinator SPPU)

16h20 - 16h40 ● Thierry Lang (IP Paris) / Carlos Batthyany (IP Mon): "Teaching actions IP/RIIP"

16h40 - 17h00 ● Isabelle Buckle (Executive Vice President Technology transfer & Industrial Partnerships DARRI, IP Paris): "The global technology transfer and innovation within the RIIP"

17h00 - 17h20 ● Marco Krieger (Vice-President for Innovation and production, FIOCRUZ):  
"Fiocruz intramural INOVA program to accelerate science and technology for health"

17h20 - 17h40 ● Luis H. Catalani (InovaUSP Coordinator): "Presentation of InovaUSP"

17h40 - 18h00 ● Christophe D'Enfert (Technology and Scientific Programs Department IP Paris):  
"Accelerating research through access to technology platforms"

18h00 - 18h15 ● **Discussion, initiatives, perspectives**

19h30 ● **Diner (Résidence de France): restricted invitation**

## July 04 Hommage à Ricardo Galler "Conselho Universitário" room - Rectory

9h00 - 12h30 **Round Table 3 : Hommage à Ricardo Galler**

Chairmen : Jorge Kalil, Heart Institute, USP, Chairman Coord. Committee SPPU & Carlos Eduardo Grault (Accessor Vice-Presidence Research, FIOCRUZ)

9h00 - 9h30 Akira Homma (Fiocruz, Biomanguinhos): "Yellow Fever history"

9h30 - 9h50 ● Esper Kallas (Fac Med, USP): "Immunopathology of Yellow Fever"

9h50 - 10h10 ● Estela Bevilacqua (ICB, USP): "Fœtal- materno transmission of YFV"

10h10 - 10h30 ● **Questions**

10h30 - 11h00 ● **Coffee break**

11h00 - 11h20 ● Lucio Holanda de Freitas Jr (ICB, USP): "Drug screening against YFV"

11h20 - 11h40 ● Amaro Nunes Amato Neto(USP): "Sofosbuvir and liver transplantation post severe yellow fever"

11h40 - 12h00 ● Tatiana Guimaraes Noronha (UFF): "Yellow Fever vaccine"

12h00 - 12h30 ● **Discussion and conclusions**

12h30 - 14h00 ● **Lunch break (on the spot)**

14h00 - 16h30 ● **Round Table 4 : Towards a Biosciences Network AMSUD – RiIP ?**

**Chairpersons:** Otto Pritsch/ Carlos Batthyány (IP Montevideo) & Alexia Gobrecht (Attached to Science and Technology, Cooperation and Cultural Action Service, French Consulate, São Paulo).

**Organized** par IP Montevideo & Coopération régionale française Patronage AUCANI-USP InovaUSP/Délégation régionale FR. Participation AUGM : Association of the [34] Universities of the Group of Montevideo Presence of Regional Funding agencies

16h30 ● **Crossing to "The Cube" InovaUSP for the ceremony (300 meters by foot)**

17h30 - 18h30 ● **Ceremony of Inauguration of The Scientific Platform Pasteur –USP : InovaUSP : "Cubo", 3rd floor. Under the High Patronage of the French Embassy in Brazil**

**Interventions:** B. Pont (Consul Général de France à São Paulo), V. Agopyan (Recteur USP) F. Romaneix (Senior Executive Vice-President Administration and Finance, IP Paris), N. Trindade (President FIOCRUZ), M.A. Zago (CEO FAPESP), L. Catalani (InovaUSP), A. Figuei (CEO FUSP) & Raul Machado (AUCANI).

18h30 - 18h45 ● **Cultural program (cello / flute) [InovaUSP]**

18h45 ● **Cocktail and commemorative plaque SPPU [InovaUSP]**

July 05

## How can we work together

9h00 - 12h00 ● **Brainstorming "How can we work together" [Conselho Universitário" room - Rectory]**

**Chairpersons:** Kathleen Victoir (PINA), Wilson Savino (FIOCRUZ) & Mirdad Kazanji(IPG)

**Participants:** N. Trindade (FIOCRUZ), C. Batthyány (IPMon), A. Talarmin (IP Guadeloupe), L.C.S. Ferreira/P. Minoprio (PSPU), O. Pritsch (Biosciences Network), V. Richard (PINA), P.M.Girard/ Jennifer Heurley/F. Romaneix (IP Paris).

**Questions:** What future actions for : Teaching ? Research ? Innovation and Platforms ? Which partnerships are needed? How to finance ?

12h00 - 13h00 ● **Visite de la Plateforme Scientifique Pasteur-USP (start at « Cube » InovaUSP, 3rd floor)**

13h00 - 14h30 ● **Lunch break (AUCANI)**

14h30 - 17h00 ● **Speed datings: AMSUD/RIIP/ Coopération Française/ InovaUSP (AUCANI rooms)**

**Room 1A Animation :** Otto Pritsch (IP Montevideo) & Alexia Gobrecht (Attached to Science and Technology, Cooperation and Cultural Action Service, French Consulate, São Paulo), AUCANI, AUGM, InovaUSP

Identification of common interests, discussions and presentation of common action priorities identified at regional level and proposed activities, Biosciences Network  
Conception of a written report

**Room 2** Space for scientific meeting between the partners and letters of intent for common projects or joint initiatives

**Room 3A** Space for scientific meeting between the partners and letters of intent for common projects or joint initiatives

July 01-02 **Backing event**

## Training Workshop Global Health (AUCANI)

(Rooms: SPPU 3rd floor, InovaUsp 4th floor)

Title

Organized by

Phylogenetic and  
Phylogeography  
of Arboviruses  
Metagenomics

Paolo Zanotto (USP/SPPU)  
Amadou Sall/Oumar Fay (IP Dakar)  
Gonzalo Bello (Fiocruz)  
Helder Nakaya (USP/SPPU)  
Fabricio Alves Barbosa (Fiocruz)  
Chris Hoffman (USP)  
Gregório Iraola (IP Mon)

Organized by:

P. Minoprio (Institut Pasteur Brazilian Office) &

M. Kazanji (Director of Institut Pasteur de la Guyane & RIIP - American Region)

With the participation of the RIIP - American Region members & The Scientific Platform Pasteur - USP (SPPU)

Supported by:

Pasteur International Network Association (PINA)

Delegación Regional de Cooperación para América del Sur (DRC)

Ambassade de France/ Institut Français du Brésil

Consulat de France à São Paulo

Agência USP de Cooperação Acadêmica Nacional e Internacional (AUCANI)

USP Research Pro-Rectorat, Culture Pro-Rectorat

InovaUSP - Centro de Inovação da USP

Fundação de Apoio à pesquisa do Estado de São Paulo (FAPESP)

Instituto de Ciências Biomédicas - USP

Fundação Oswaldo Cruz

Institut Pasteur
